

Camp Intelligence Agency
Washington DC, 20505

October 22, 2009

Dear Girl Scout:

I am writing to you today on behalf of Agent Ranger Chris, head of the Camp Intelligence Agency. We have had a recent breach of security involving counter spying, otherwise known as double agents. We need new agents, which have not been corrupted, to apply in person, succeed in completing the agent training course, and be sent out on a highly dangerous mission.

Should you wish to accept this invitation, please arrive promptly at the following address at the date and time given:

CIA Special Training Headquarters
Camp Hidden Falls
May 21, 2010
19:00 Hours (7pm)

Enclosed is additional information regarding this mission that should be reviewed in private.

Please be aware of the highly confidential nature of this invitation and take special care to ensure you are not followed upon arrival to the training location. The training and the mission should be completed by 11:00 hours on May 23.

Upon your confirmation of attendance, additional mission information will be sent to your confirmed location by confidential courier.

We appreciate your consideration in this matter and look forward to hearing from you by January 28th.

Thank you.

Train to be part of an elite group and become a special agent of the Camp Intelligence Agency (the CIA) and attempt to complete an assigned mission to ID double agents leaking agency secrets.

Weekend is all inclusive - accommodations, meals, beverages, and snacks (Friday snack through Sunday breakfast), as well as all activities and a custom event patch are included in your \$45 Operation fee.

Troops are required to supply Safety Wise adults and a First Aider. A camp trained adult is also required, although we can pair you with another troop if needed. Only camp trained adults are permitted to start fires.

A camporee is a Girl Scout tradition! A very special camping weekend just for the girls from the Indian Valley Service Unit (all ages!) and it only comes around once every 3 years. It is a time for girls and adults to come together and enjoy the best of what Girl Scouting offers - fun, laughs, new experiences, and friends.

Daisy & Brownies will complete Try It activities - Math Fun, Me & My Shadow, and more!

Juniors will complete Badge activities - Creative Solutions, Finding Your Way, and more!

Cadettes & Seniors will complete IPA activities - Uncovering the Evidence and more!

Extra adults **could** be limited to "transportation adults" only if demand for the camp weekend exceeds maximum allowed attendance. We want as many girls as possible to be able to attend this camp weekend!

Your reservation and deposit is due by the January 28th Service Unit Meeting. All registrations are first come-first served. Detailed weekend information will be supplied before final payment is due.

Final counts and full payment will be due by the March 25th Service Unit meeting.

Please feel free to contact me with questions!
